**LIONI MOZZARELLA
UNION, NJ**
Salvatore and Giuseppe Salzarulo, founders

With five generations of experience in mozzarella-making behind him, Giuseppe immigrated to Brooklyn in the 1960s and started making the sweet stuff in his mother's garage. Nephew Salvatore soon joined him, and in 1990 the pair set up shop in New Jersey. Experience this great cheese at peak freshness, the way it was meant to be enjoyed.
